## WELCOME TO THE RIPON CATHEDRAL SUMMER BEER FESTIVAL

### Greetings from the Dean

Welcome to Ripon Cathedral's 2024 Summer Beer Festival. I am delighted you have decided to join us.

The Beer Festival is always a great cathedral and community event, one that is enjoyed by people of all ages, and not just by those who are connoisseurs of fine beers. There is something for everyone at this event, including entertainment for children, though I do hope that the different beers on offer managed to satisfy all tastes!

Today is far from being just a fundraising event, though we obviously do require ever-more financial support to maintain the cathedral and sustain its expanding mission. Thankfully, Ripon Cathedral is growing in every area of its life and mission.

Central to the cathedral's role as a mother church for the Diocese of Leeds and the region is serving the needs of people and communities. This includes: helping people find and grow in Christian faith; supporting those in spiritual or material need; conducting baptisms, weddings, funerals; being a strengthening centre of excellent choral music; facilitating local and regional discussions and debates; caring for the environment; offering education programmes to many schools and colleges in the region, welcoming hundreds of thousands of visitors, pilgrims and worshippers; and being an important centre of culture with an expanding number of and variety of concerts. We are here for people of all faiths and no faith, and most certainly for those who wish to explore the value of faith for the individual and society.

Simply by enjoying this beer festival today, we are benefiting from the life and ministry of a cathedral which goes back over 1352 years, beyond the time when our patron St. Wilfrid built our famous crypt.

If you would like to know more about what the cathedral offers and how you could get involved or receive support, please see our website [www.riponcathedral.org.uk](http://www.riponcathedral.org.uk), contact us via email [cathedraladmin@riponcathedral.org.uk](mailto:cathedraladmin@riponcathedral.org.uk) or phone the main office 01765 603462.

Wishing you all an enjoyable day!

Shortly after harvest each year the best hop farmers in the UK journey to our brewery in Yorkshire. They bring with them carefully packed parcels of their finest crops. In what has become known as the *hop beauty parade* our expert brewers meticulously assess each batch, judging not just looks but also

personality. The brewers rub each hop in their warm hands to feel the quality of the resins and release the delicate aromas that are vital to the signature flavour and balance of our beer. Only then are the *choicest* whole leaf hops selected to brew your *beautiful* pint of Landlord.
